Easter Offering: Rebuilding Lives

This year's Easter Offering theme is Rebuilding Lives, as we seek to make an impact locally, regionally, and globally through your generosity.

Locally, we are supporting Commander Peace Academy, a relatively new organization located on English Road. We have been very impressed with their work. The academy provides programs for at-risk young men and women, offering structure, mental support, educational opportunities, and essential life skills.

Regionally, we are continuing our support of neighbors in Western North Carolina as they rebuild their lives— both materially (through housing) and emotionally (through mental health support). As shared in the bulletin and other church publications, you have an opportunity to serve these individuals during Easter weekend. (To sign up, you may call the church office and leave your name and number.)

Globally, we are once again supporting the Good Samaritan Clinic in the Dominican Republic. Two years ago, Wesley Memorial helped rebuild their clean water system, which now serves Batey 7 and the surrounding area. This year, we will provide much-needed medications for those receiving care at the clinic, which is staffed by a single full-time physician. Two of our own members recently returned from serving there and described it as a life-changing experience.

We are so blessed at Wesley Memorial to have a congregation that is committed to sharing Christ's love and hope in so many ways. Thank you for your continued support.
